Protocols for IDEAL alumni listserv

The alumni who attended the October 20 workshop on the formation of an alumni association discussed a number of items, among which was communication, discussion and dialogue. While still in the planning stages, the following was agreed to:

The yahoo groups listserv should be used only for

- ✓ announcements of events and meetings related to IDEAL alumni's mission and goals/IDEAL and Great Valley Center
- ✓ requests for input, participation related to IDEAL alumni/IDEAL,
- ✓ meeting minutes and summaries,
- ✓ alumni organizational reports
- ✓ invitations to IDEAL alumni/IDEAL/Great Valley Center sponsored meetings and events
- ✓ requests for professional advice
- ✓ job announcements

At this time if you want to share articles/opinion pieces that you think others would be interested in, either include the direct link [address] in your email, or tell them where they can find it. If you have a counter opinion about what's been shared, reply directly to the person who sent the mail, by hitting the *reply to sender button only*.

In the future, as soon as a webmaster is available, announcements can be posted on the website on a general topic of interest, e.g., opinion pieces, articles with email reminders to visit the website. A chat room is also planned in the near future for dialogue
